Education Level of Bismarck Mandan

Student

Last month marked the end of the 2023-2024 Student Leadership program. This series of monthly outings allows high

Leadership Network Wraps Up!

school level students to learn about the multitude of career paths available in the Bismarck-Mandan area directly from businesses. The program is modeled after the Bismarck-Mandan Leadership program with a greater focus on the career clusters outlined by the Bismarck-Mandan public schools districts. Students learned in a diverse assortment of businesses including Bravera Bank, Doosan Bobcat, Gizmonics, and Sanford Hospital.

Educating Our Educators!

Educator Experience is a program that allows teachers from middle and high schools around the region to gain real-world experience in the different careers available within Bismarck-Mandan while earning FREE Continuing ED credits!

The Educator Experience class will gather onsite at 8 different businesses during the week and hear from professionals in that field and take part in hands on activities and learning! Each day will feature two 4-hour sessions, with lunch provided during breaks. Each session will be focused on a specific industry and career exploration within that field.
